

5Star Technology Professionals E&O

The 5Star Technology Errors and Omissions insurance program provides comprehensive insurance products and risk management services designed to cover the unique exposures of Information Technology firms and companies that design and develop networked systems, electronic communications and web sites. Whether a start-up or established company, 5Star Technology E&O protects technology businesses against potentially catastrophic litigation involving programming errors, software performance or breach of contract. Errors and Omissions coverage can make the difference between the survival or failure of a business when faced with these types of legal threats.
