

# 5Star Solutions

from the leader in Specialty Program Underwriting - we feature numerous facilities including:

## Errors & Omissions Program

- Liability coverage for professionals and business owners who design, make recommendations, or represent the needs of others
- We specialize in unique accounts

## Garage Insurance Program

- No maximum size
- Offers virtually all coverages for garage services
- Available in limited states, see our [website](#) for more details

## Paratransit Program

- High quality protection for non-emergency ambulance, ambulette, social services, and special needs transport operations
- For profit and non-profit entities considered
- Available in limited states, see our [website](#) for more details

## Participant Accident Insurance

- Accident protection for participants in sponsored and supervised activities
- Features effective limits that are inexpensively priced

## Taxi Program

- Coverage for taxi operations from one of the nation's leading writers of taxis
- Deductible options are available
- New ventures are acceptable
- Available in limited states, see our [website](#) for more details

## Waste Operations Program

- Comprehensive coverage for waste haulers and waste related operations, including work comp
- No minimum or maximum size
- Small waste account solutions - no account is too small

This is just a sampling of 5Star products and capabilities. Visit our [website](#) for more information.

***5Star is a full service Managing General Agency (MGA) offering property and casualty insurance. Backed by 25 years of underwriting expertise and extensive carrier relationships, we're always adding new products and services. All programs are nationwide unless otherwise specified.***
