Auto & Truck Dealerships Program Now Available in 43 States

DEALERSure™ Auto Dealers Program offered by Five Star Specialty Programs

Melbourne, FL – December 8, 2011 Five Star Specialty Programs, a division of Crump Insurance Services, Inc., and part of Crump Group, Inc., the nation’s premier insurance wholesaler, today announced new markets for the Auto Dealers Program that extends the coverage to all states except AK, CT, DC, HI, MA, MN, NJ and RI.

DEALERSure™ is a multi-line program providing coverage for rural and suburban franchised and non-franchised auto or truck dealerships. Retail agents submit one application for coverage and a quote is provided to the retail agent with the 5Star appointed market for that state. In discussing the expanded territory for this program, Michael S. Oliver, Senior Vice President of 5Star Specialty Programs, emphasized that the geographical extension of the program was made possible by the special arrangement between 5Star and 3 markets. “We’ve had inquiries from our retail agents ever since we started this program to provide coverage in more states. We will continue to work with carriers to expand further.”

DEALERSure is a multi-line property and casualty program with coverages such as garage liability, dealer E&O, fire legal liability, hired auto and other products. Retail agents should contact 5Star for more information on the program.

Target markets for this program are broad. Coverage is available for consignment sales, electric auto sales, golf cart dealers, motorcycle dealers, non-franchised or small franchised retail auto or truck dealers, RV dealers, small auto auctions/wholesale dealers and trailer dealers. Repair shops for the above dealerships are also eligible.
