## **BISYS SPECIALTY PROGRAMS BECOMES 5STAR SPECIALTY PROGRAMS**

*Leader in specialty underwriting is now a division of Crump Insurance Services, Inc.*

Melbourne, FL – BISYS Specialty Programs, a division of BISYS Commercial Insurance Services, today announced that the company has changed its name to Five Star Specialty Programs, a division of Crump Insurance Services, Inc. This change is part of the consolidation of its operations with Crump Insurance Services, announced last August. Crump Insurance Services is part of Crump Group, the nation's largest insurance wholesaler.

The new name and logo were unveiled to employees last week and are being shared with customers this week.

“We have a new name, but we’re still the same company that has built a strong reputation over the past 22 years based on our underwriting expertise, carrier relationships and high quality solutions for retail agents,” said David Tooley, president of Five Star Specialty Programs. “This organization is well known for specializing in transportation, workers’ compensation and professional liability business. Now that we’re backed by the combined resources of the Crump and BISYS Commercial operations, we have even more opportunities to pursue new business segments and provide enhanced solutions to our retail partners.”

The Five Star name was chosen because of the company’s commitment to providing top-notch “five star service” to clients, and the legacy within the organization as the original name for its professional liability programs, formerly Five Star Managers. The re-branding campaign includes advertising and a new website, [www.5StarSP.com](http://www.5StarSP.com).
