FIVE STAR SPECIALTY PROGRAMS INTRODUCES FIVE STAR PARKSURE

A specialized insurance solution for parking operations, nationwide

MELBOURNE, Fla. (Nov. 17, 2008) – Five Star Specialty Programs, a division of Crump Insurance Services, today announced the availability of a new insurance program designed for providers of parking services in the 48 contiguous states.

Known as 5Star PARKsureSM, the program is offered through Fireman's Fund Insurance Company, rated 'A' by A.M. Best, and includes general liability and garage keepers legal liability coverage. Eligible risks include valet, self and assisted parking, and special events parking. Protection extends to incidental exposures such as car washing and detailing, and airport park-and-fly operations. Additional benefits include claims administration through the leader in claims services for the parking industry.

"Five Star's PARKsureSM is a new and better solution for retail agents to offer to their clients who provide parking services," said Mike Oliver, senior vice president of Five Star Specialty Programs. "Our 25 plus years of underwriting automobile related risks combined with Fireman's Fund's longtime commitment to the parking industry equates to an uncommon understanding of the business; this is an important consideration to obtaining the right coverage that addresses the risks that are unique to these operations. Our producers know they can count on Five Star to bring quality products, from reputable carriers, to help expand their books of business," Oliver said.

Retail insurance agents and brokers interested in more information regarding 5Star PARKsureSM may visit www.5StarSP.com/parksure, or call Robert Devries, Business Development Manager, at 877.247.9772.
