

# Zurich Long Haul Trucking

## Announcing: Zurich's New Long Haul Trucking Program!

### Coming in 2009

- Enhanced short haul trucking program

### Another exciting program now available!

Ask us about our enhanced cargo product and appetite.

Zurich is excited to introduce its new long haul trucking program! For more than 50 years, we've been developing insurance solutions exclusively for trucking professionals. This focus enables us to provide innovative, high-quality products that help protect trucking operations – large or small. We're also one of few insurers with underwriters, loss control, safety and claim professionals dedicated to the transportation industry.

### Long Haul Trucking Program Features

- Enhanced, proprietary rating methodology
- On-demand loss runs (coming in 2009)
- New rating system based on state mileage
- Flexible payment plans with no finance fees
- Increased rating flexibility on large accounts
- Uniform Intermodal Interchange Agreement (UIIA) available
- Single unit operation credit
- 2 rating zones: limited long haul zone, 301-500 and long haul zone, 501+
- Multi-coverage discount available
- Ability to administer 3rd party deductible plans
- General liability offered under the Trucker's Code
- Web-based loss control services

### About Zurich

Long haul trucking is a market segment written through Zurich's Programs & Direct Markets business unit. PDM is a unit of the Zurich Financial Services Group (ZFS), providing insurance coverage through member companies of Zurich in North America, including Zurich American Insurance Company. Currently ZFS is the third largest property/casualty provider in the world – doing business in more than 170 countries. See Ratings section at [www.zurichna.com](http://www.zurichna.com) for information on Zurich American Insurance Company.
